DO NOT GIVE OR SEND THIS SHEET OUT - - WILLIE'S WORK SHEET ONLY - - THIS IS WILLIELEE (HAM) BROWN'S WORK SHEET. THERE MAY BE QUESTIONS OF PLACES, NAMES, DATES, ETC. THAT NEED FURTHER INVESTIGATION.

THE HISTORY OF:
EDWARD WILSON HAM

1803 - FATHER OF SUBJECT **EDWARD WILSON HAM** - - - - HAM, JOEL W., BORN ca 1803, IN SOUTH CAROLINA AS STATED ON ALL CENSUS REPORTS, OR GEORGIA AS REPORTED ON THE DEATH CERTIFICATE OF JOEL'S DAUGHTER, ISABEL ANNA/ANNIE (HAM) CHAPMAN. THE "HAM" NAME IS IN QUESTION. SOME HAM FAMILY MEMBERS BELIEVE THE NAME WAS SHORTENED FROM A LONGER NAME WITH "HAM" IN IT. EXAMPLES: HAMM, CUNNINGHAM, HAMIL, WILLINGHAM, GRAHAM, HAMBERGER, HAMBRIGHT, HAMILTON, & ETC.. THE LIST IS VERY LONG. OTHER FAMILY MEMBER DON'T BELIEVE THIS IS TRUE. THERE IS ANOTHER THOUGHT ON THE MATTER OF THE NAME CHANGE. JOEL COULD HAVE GONE BY HIS MIDDLE INITIAL, WHICH IS "W". IT COULD STAND FOR WILLIAM, SINCE THE COUPLES FIRST SON'S NAME WAS WILLIAM ALEXANDER. IT COULD STAND FOR WILSON, BECAUSE THEIR FIFTH CHILD, A SON, WAS NAMED EDWARD WILSON. IN THAT TIME PERIOD IT WAS LIKELY FOR AT LEAST ONE OF THE SONS TO HAVE ALL OR PART OF THE FATHERS NAME.

1811 - MOTHER OF SUBJECT **EDWARD WILSON HAM** - - - - - HAM, NANCY (GILBERT) - BORN ca 1811 IN PROBABLY SHELBYVILLE, BEDFORD COUNTY, TENNESSEE. ALL CENSUS REPORTS READ TENNESSEE. PER DAUGHTER, ISABEL ANNA/ANNIE (HAM) CHAPMAN'S DEATH CERTIFICATE NANCY WAS BORN IN GEORGIA. NANCY GAVE BIRTH TO EIGHT CHILDREN. ONE DIED AS A YOUNG BOY. HOWEVER, THE REST OF THE CHILDREN LIVED TO MATURITY. THE FIFTH CHILD, A SON, DIED IN THE CIVIL WAR, & NEVER MARRIED. THE YOUNGEST DAUGHTER, REPORTED TO BE MENTALLY RETARDED, NEVER MARRIED. THE OTHER FIVE CHILDREN ALL MARRIED. WE HAVE HAD TROUBLE FINDING THE CHILDREN OF SOME OF THESE ISSUES. WILLIAM ALEXANDER, SR. HAD ELEVEN CHILDREN, JOHN HAM, JR. HAD ONE SON, ISABEL ANNA/ANNIE HAD TWO CHILDREN. THAT DOESN'T MEAN THERE WEREN'T MORE. WE JUST HAVEN'T FOUND THEM AS YET.

1830 - FEDERAL CENSUS REPORT HAS JOEL W. HAM LIVING IN BEDFORD COUNTY, TENNESSEE. NO TOWNSHIP LISTED - NUMBER OF PEOPLE IN HOUSEHOLD IS SIX (01011-0111). HEAD OF HOUSEHOLD IS HAM, JOEL - THIS MAY NOT BE OUR JOEL. (OUR JOEL MOST ALWAYS USED JOEL W. HAM WHEN SIGNING HIS NAME.) HOUSEHOLD #040/940.

AGES	- 5 5 - 10 10 - 15 15 - 20 20 - 30 30 - 40 40 - 50 50 - 60 60 - 70 70 - 80 80 - 90 90 - 100 100+													
MALE	0	1	0	1	1	0	0	0	0	0	0	0	0	0
FEMALE	0	1	1	1	0	0	0	0	0	0	0	0	0	0

WE DON'T KNOW IF THIS IS OUR JOEL. HOWEVER, JOEL WOULD BE 27 YEARS OLD, & THE OLDEST MALE HERE IS 20 TO 30, & THAT WOULD FIT JOEL'S AGE. THE NEXT OLDEST MALE & FEMALE ARE LISTED AS 15 TO 20. JOEL WOULD HAVE BEEN 07 TO 12 YEARS OLD WHEN THESE TWO CHILDREN WERE BORN, & THEY COULDN'T BE HIS ISSUE. MAY BE THE PARENTS DIED, & LEFT JOEL AS HEAD OF HOUSEHOLD. THESE FIVE CHILDREN COULD BE JOEL'S BROTHERS & SISTERS??? SIX PEOPLE ARE LISTED IN HOUSEHOLD. IT DOES NOT LOOK LIKE JOEL TOOK ANY OF THESE CHILDREN TO TEXAS WITH HIM, & THAT WOULDN'T MAKE ANY SENSE. HOWEVER, RECORDS ARE SCARCE. THE TWO YOUNGEST CHILDREN WOULD HAVE BEEN 12 TO 15 YEARS OLD SEVEN YEARS LATER WHEN JOEL MOVED HIS FAMILY TO TEXAS. THE OLDER CHILDREN WERE PROBABLY OUT ON THERE OWN, IN 1837, & MAY HAVE TAKEN THE YOUNGER CHILDREN TO LIVE WITH THEM. IT WAS LATE 1837 WHEN JOEL & FAMILY MOVED TO SAN AUGUSTINE COUNTY, TEXAS FROM TENNESSEE. (PROBABLY BEDFORD COUNTY, TENNESSEE.)

1831 - FATHER & MOTHER OF SUBJECT **EDWARD WILSON HAM** - - - - - HAM, JOEL W. & GILBERT, NANCY PROBABLY MARRIED BY 1831. THIS WOULD HAVE MADE JOEL 28 YEARS OLD, & NANCY ca 20 YEARS OLD WHEN THEY MARRIED. THEY WERE PROBABLY MARRIED IN SHELBYVILLE, BEDFORD COUNTY, TENNESSEE, SINCE THIS SEEMS TO HAVE BEEN NANCY'S HOME. (THESE ARE NOT PROVEN FACTS SINCE THE COURT HOUSE & RECORDS WERE DESTROYED BEFORE 1848.) BEFORE THE 1848 DATE THE FAMILY HAD MOVED TO TEXAS.

1832 - SISTER OF SUBJECT **EDWARD WILSON HAM** - - - - - JULIA A. HAM, THE FIRST CHILD, A SISTER, WAS BORN ca 1832 (WILLIE HAS A BIRTH DATE OF 01 MAY 1832, STILL WE ARE ONLY USING THE 1832 DATE ON THE SEND OUT SHEET, BECAUSE MARYALICE DOESN'T HAVE THIS DATE IN HER RECORDS. JULIA WAS PROBABLY BORN IN BEDFORD COUNTY, TENNESSEE. JULIA A. HAM MARRIED HER FIRST HUSBAND, A MAN BY THE NAME OF ? ? VICKERS, BY 1850, BECAUSE SHE DIDN'T APPEAR ON THE 1850 CENSUS REPORT WITH THE REST OF THE FAMILY. SHE WAS NOT DECEASED. LATER MARRIED A MAN BY THE NAME OF ISAAC N. FRY. JULIA DIED 03 DECEMBER 1908, AT COUSHATTA, RED RIVER PARISH, LOUISIANA. (INFORMATION GAINED FROM FAMILY DATA, CENSUS REPORTS, TIMBER SELL & TOMBSTONE. (WE HAVE PHOTO OF TOMBSTONE.)

DO NOT GIVE OR SEND THIS SHEET OUT - - WILLIE'S WORK SHEET ONLY - - THIS IS WILLIELEE (HAM) BROWN'S WORK SHEET. THERE MAY BE QUESTIONS OF PLACES, NAMES, DATES, ETC. THAT NEED FURTHER INVESTIGATION.

**THE HISTORY OF:
EDWARD WILSON HAM**

1803 - FATHER OF SUBJECT EDWARD WILSON HAM - - - - - HAM, JOEL W., BORN ca 1803, IN SOUTH CAROLINA AS STATED ON ALL CENSUS REPORTS, OR GEORGIA AS REPORTED ON THE DEATH CERTIFICATE OF JOEL'S DAUGHTER, ISABEL ANNA/ANNIE (HAM) CHAPMAN. THE "HAM" NAME IS IN QUESTION. SOME HAM FAMILY MEMBERS BELIEVE THE NAME WAS SHORTENED FROM A LONGER NAME WITH "HAM" IN IT. EXAMPLES: HAMM, CUNNINGHAM, HAMIL, WILLINGHAM, GRAHAM, HAMBERGER, HAMBRIGHT, HAMILTON, & ETC.. THE LIST IS VERY LONG. OTHER FAMILY MEMBER DON'T BELIEVE THIS IS TRUE. THERE IS ANOTHER THOUGHT ON THE MATTER OF THE NAME CHANGE. JOEL COULD HAVE GONE BY HIS MIDDLE INITIAL, WHICH IS "W". IT COULD STAND FOR WILLIAM, SINCE THE COUPLES FIRST SON'S NAME WAS WILLIAM ALEXANDER. IT COULD STAND FOR WILSON, BECAUSE THEIR FIFTH CHILD, A SON, WAS NAMED EDWARD WILSON. IN THAT TIME PERIOD IT WAS LIKELY FOR AT LEAST ONE OF THE SONS TO HAVE ALL OR PART OF THE FATHERS NAME.

1811 - MOTHER OF SUBJECT EDWARD WILSON HAM - - - - - HAM, NANCY (GILBERT) - BORN ca 1811 IN PROBABLY SHELBYVILLE, BEDFORD COUNTY, TENNESSEE. ALL CENSUS REPORTS READ TENNESSEE. PER DAUGHTER, ISABEL ANNA/ANNIE (HAM) CHAPMAN'S DEATH CERTIFICATE NANCY WAS BORN IN GEORGIA. NANCY GAVE BIRTH TO EIGHT CHILDREN. ONE DIED AS A YOUNG BOY. HOWEVER, THE REST OF THE CHILDREN LIVED TO MATURITY. THE FIFTH CHILD, A SON, DIED IN THE CIVIL WAR, & NEVER MARRIED. THE YOUNGEST DAUGHTER, REPORTED TO BE MENTALLY RETARDED, NEVER MARRIED. THE OTHER FIVE CHILDREN ALL MARRIED. WE HAVE HAD TROUBLE FINDING THE CHILDREN OF SOME OF THESE ISSUES. WILLIAM ALEXANDER, SR. HAD ELEVEN CHILDREN, JOHN HAM, JR. HAD ONE SON, ISABEL ANNA/ANNIE HAD TWO CHILDREN. THAT DOESN'T MEAN THERE WEREN'T MORE. WE JUST HAVEN'T FOUND THEM AS YET.

1830 - FEDERAL CENSUS REPORT HAS JOEL W. HAM LIVING IN BEDFORD COUNTY, TENNESSEE. NO TOWNSHIP LISTED - NUMBER OF PEOPLE IN HOUSEHOLD IS SIX (01011-0111). HEAD OF HOUSEHOLD IS HAM, JOEL - THIS MAY NOT BE OUR JOEL. (OUR JOEL MOST ALWAYS USED JOEL W. HAM WHEN SIGNING HIS NAME.) HOUSEHOLD #040/940.

IT WAS LATE 1837 WHEN JOEL & FAMILY MOVED TO SAN AUGUSTINE COUNTY, TEXAS FROM TENNESSEE. (PROBABLY BEDFORD COUNTY, TENNESSEE.)

1831 - FATHER & MOTHER OF SUBJECT EDWARD WILSON HAM - - - - - HAM, JOEL W. & GILBERT, NANCY PROBABLY MARRIED BY 1831. THIS WOULD HAVE MADE JOEL 28 YEARS OLD, & NANCY ca 20 YEARS OLD WHEN THEY MARRIED. THEY WERE PROBABLY MARRIED IN SHELBYVILLE, BEDFORD COUNTY, TENNESSEE, SINCE THIS SEEMS TO HAVE BEEN NANCY'S HOME. (THESE ARE NOT PROVEN FACTS SINCE THE COURT HOUSE & RECORDS WERE DESTROYED BEFORE 1848.) BEFORE THE 1848 DATE THE FAMILY HAD MOVED TO TEXAS.

1832 - SISTER OF SUBJECT EDWARD WILSON HAM - - - - - JULIA A. 1833 - BROTHER OF SUBJECT EDWARD WILSON HAM - - - - - WILLIAM ALEXANDER HAM, SR., THE SECOND CHILD, A BROTHER, BORN 01 JULY 1833, TENNESSEE. PROBABLY IN BEDFORD COUNTY, TENNESSEE. FAMILY DATA STATES THAT WILLIAM ALEXANDER HAM, SR. WAS BORN IN DUCK RIVER, HICKMAN COUNTY, TENNESSEE (OR ON THE BANKS OF DUCK RIVER). THE DUCK RIVER RUNS THROUGH TENNESSEE FOR 81 MILES, RUNNING OFF THE TENNESSEE RIVER IN HUMPHREY COUNTY & SNAKES THROUGH HICKMAN, MAURY, MARSHALL & BEDFORD COUNTIES & ENDING AT THE NORMANDY LAKE IN COFFEE COUNTY.) USING MAPS OF 1991 FOR INFORMATION - COUNTIES COULD HAVE CHANGED. WILLIAM WENT BY THE NAME OF BILL. BILL MARRIED MARGRETT EMELY MARTIN ON 22 JANUARY 1852 IN TEXAS OR LOUISIANA. THE COUPLE HAD 11 CHILDREN, WITH SEVEN OF THEM LIVING TO MATURITY. BILL & MARGRETT (MARTIN) HAM MOVED TO COMANCHE, COMANCHE COUNTY, TEXAS EARLY IN THEIR MARRIAGE. THEY BUILD A CABIN ON SWEETWATER CREEK, & LIVED THERE ON THE FRONTIER FOR THE REST OF THEIR LIVES. THEY ARE BOTH BURIED AT SUGGS CEMETERY, COMANCHE, COMANCHE COUNTY, TEXAS. HAVE PHOTOS OF TOMBSTONE. (INFORMATION PROCURED FROM FAMILY DATA, CENSUS REPORTS, LEGAL DOCUMENTS, TOMBSTONE, PHOTOS, & MAPS.)

1835 - BROTHER OF SUBJECT EDWARD WILSON HAM - - - - - JOHN HAM, SR., THE THIRD CHILD, A BROTHER, BORN ca 1835, BORN IN TENNESSEE PROBABLY BEDFORD COUNTY, TENNESSEE. MORE INFORMATION IS NEEDED ON THIS MAN. IN OUR FILES WE HAVE A LEGAL DEED STATING JOHN IS JOHN "C." HAM. HOWEVER, THE INITIAL HAS NOT SHOWN UP ANYWHERE ELSE. JOHN MARRIED A MARY ? ?, & HAD A SON JOHN, JR. (ALL THIS INFORMATION IS FROM FAMILY DATA, EXCEPT FOR THE DEED WITH HIS INITIAL AS "C".)

THERE IS A QUESTION ABOUT THE CORRECT "JOHN". SO HERE IS A WRITE UP ABOUT THE SECOND JOHN: NUMBER TWO JOHN HAM IS WRITTEN UP AS JOHN "G" HAM. JOHN WAS BORN IN ABOUT 1830, WHICH WOULD MAKE HIM THE OLDEST CHILD. HE WAS BORN IN TENNESSEE (PER 1860 CENSUS), & MARRIED A WOMAN BY THE NAME OF SALINE WEBB ON 28 OCTOBER 1860 (HE WOULD HAVE BEEN 30 YEARS OLD), IN SAN AUGUSTINE COUNTY, TEXAS. (INFORMATION FROM SAN AUGUSTINE COUNTY, TEXAS COURTHOUSE MARRIAGE RECORDS, VOLUME E, PAGE 7, 1856 TO 1894 MARRIAGE RECORDS). THE COUPLE HAD TWO CHILDREN PER THE 1860 CENSUS REPORT FOR SHELBY COUNTY, TEXAS. THERE WERE TWO DAUGHTERS, F.S. HAM THREE YEARS OLD & C.A. HAM FIVE MONTHS OLD, BOTH BORN IN TEXAS. JOHN WAS WRITTEN UP AS JOHN HAM, AGE 30, WIFE SALINA, AGE 27, BOTH BORN IN TENNESSEE, & HE WAS A FARMER. THIS JOHN G. HAM FOUGHT IN THE CIVIL WAR, AS A CONFEDERATE SOLDIER. HE WAS A PRIVATE IN COMPANY A, FIFTH LOUISIANA INFANTRY. ENLISTED 10 MAY 1861, NEW ORLEANS, LOUISIANA. PRESENT ON ROLL TO 20 JUNE 1861. ROLLS JULY 1861 TO FEBRUARY 1862 HE WAS ABSENT. DETACHMENT AS HOSPITAL STEWARD AT WILLIAMSBURG. ROLL FROM JULY AND AUGUST 1862. DESERTED ABOUT APRIL 15, NO YEAR GIVEN. IN A LETTER FROM A LAWYER, W.F. GOODRICH, OF HEMPHILL, TEXAS, NO DATE GIVEN, STATES HIS NAME AS JOHN "G" HAM. THIS ONLY PROVES THAT THE ATTORNEY DIDN'T KNOW THE TRUE IDENTITY OF OUR JOHN ANYMORE THAN WE DO. W.F. GOODRICH ALSO STATED THAT JOHN DIED 30 OCTOBER 1868, PLACE UNKNOWN, & ISSUE UNKNOWN.

1836 - TEXAS WON IT'S INDEPENDENCE FROM MEXICO IN 1836, & BECAME THE REPUBLIC OF TEXAS. TEXAS JOINED THE UNITED STATES OF AMERICA AS THE 28th STATE ON 29 DECEMBER 1845.

THE 1850 "TEXANS FROM TENNESSEE" CENSUS REPORT STATES EDWARD WAS WITH HIS FAMILY IN SHELBY COUNTY, TEXAS, HIS AGE WAS 11. THE 1860 FEDERAL CENSUS REPORT SHOWS EDWARD WAS LIVING WITH THE HAM FAMILY, ONLY THIS TIME THEY LIVED IN MATCHITOCHE PARISH, LOUISIANA. EDWARD WAS 17, & HE WAS WORKING AS A FARM LABORER. DURING THE CIVIL WAR OF THE UNITED STATES. HE ENLISTED 11 DECEMBER 1861 AT CAMP MOORE, LOUISIANA. RECORDS REPORT HIM AS A CONFEDERATE SOLDIER, A PRIVATE, IN COMPANY D, 19th LOUISIANA INFANTRY. The League is regularly titled to John Gilbert of date June 5th, 1835.

There is no deed of record in this county out of John Gilbert. Our records were destroyed in November 1875.

In 1870, the sheriff of this county made a Sheriff's deed to Gilbert Mackeckney, conveying all the interest of John Jackson in the League. We do not know what interest Jackson owned in the League.

In 1877, the Tax Collector sold the entire League at Tax Sale to Gilbert Mackeckney, who immediately put tenants on the League. The Tenancy is recorded February 6th, 1877 and has been on record ever since.

On February 6th, 1889, persons purporting to be the heirs of John Gilbert represented by Attorney, Silas M. Johnson, who now lives in Beaumont, Texas, filed a suit against John Mackeckney, Legatee under the will of Gilbert Mackeckney, for this league of land. Amelia Brichta, Cecilia Twonsend and her husband, Martin Townsend, Augustus Brichta, G. C. Osborn and the city of Austin, Texas intervened. Judgement of the District Court of this County was entered apparently by agreement in which the plaintiffs, heirs of John Gilbert, recovered one-third of the league to be taken off the East end. The intervenors recovered 1100 acres in the Northwest corner of the League, and the defendant, Mackeckney, recovered the remainder of the League.

John N. Gilbert and others, then filed a suit against John H. Broocks, Jr., on the one-third of a League awarded ~~February 4th, 1890, resulting in a partition of the one-third~~ in the above judgement to the Gilbert heirs. This suit dated February 4th, 1890, resulted in a partition of the one-third League. The defendant, Broocks, recovering one-half of the one-third league, and the plaintiffs recovering the other one-half which was partitioned into six portions of 123 acres each. Lot no. 5, of the portion recovered by the Gilbert heirs was awarded to the heirs of Nancy Ham, a daughter of John Gilbert who married Joel Hamm. Said Lot no. 5 consisting of 123 acres, being awarded to Julia Vickers, Mary Arthur, Annie Chapman Amanda Hamm and William Hamm. From our information the only other child of Nancy and Joel Hamm, to-wit, John G. Hamm, died October 30th, 1868. Do not know whether he left issue or not.

In 1902, Julia Vickers, Mary Arthur, Annie Chapman and Amanda Hamm conveyed 4/5 of lot no. 5 to J. A. Watson.

In november 1918, J. D. Hamm conveyed to L. E. King all interest in the John Gilbert League as an heir of William A. Hamm and M. E. Hamm.

all interest in the John Gilbert League as an heir of William A.
Hamm and M. E. Hamm.

November 25, 1918, George D. Hamm conveyed all interest in the above league to L. E. King.

On February 21st, 1925, Mrs. W. D. Markham conveyed to L. E. King all interest in the above League as an heir of W. A. Hamm and M. E. Hamm.

We have been unable to determine the exact heirship of W. A. Hamm. We do not know whether the three children conveying to L. E. King are all of the heirs of W. A. Hamm, Mrs. Markham ought to be able to give you this information.

The land is good ordinary farming land in a reasonably thickly settled neighborhood. At one time it was covered with a moderate growth of short leaf pine and hardwood timber. The timber was all cut over as we recall, some fifteen years ago, and now contains second growth timber only.

It possibly may contain oil, at least there are gas leaks within a short distance. Also outcroppings of lignite. We do not know what its present value is as there is practically no market for land in this section at this time due to the financial depression.

An Abstract of the Hamm interest in this land ought not to cost probably more than \$50.00. We would be glad to furnish you an abstract of the whole league or any part thereof should you so desire.

Dear Sir:

In reply to your letter of August 2, beg to advise that I have been discussing this matter with the Ham heirs and have some more information for you, and also a few more questions I would like to ask.

I might not write the letter in proper order, but will give the information to you as it has been given by them. First, I wish to state that they still insist that they are correct as to their line of descent.

Mrs. Markham, who is now 75 years of age, was born April 1856, which you will see was just twenty-one years after John Gilbert received this league of land. According to the affidavit made by John Newton Gilbert, which was dated August 21, 1909, he stated he was the son of Ra N. Gilbert who was commonly known as Newton, who was the son of John Gilbert, and to whom this league of land was patented: that the original John Gilbert died leaving 8 children surviving. Nancy Ham, the wife of Joel Ham, was one of the children, and Emily Gilbert being one of the children.

Further in the affidavit he says that Nancy Ham had 6 children, naming the different ones, one of whom was William Ham. William Ham is the father of Mrs. Markham, one of our clients who was born in 1856, so from that statement, you will see that it would be pretty hard for that to jibe with the statement of John Gilbert that he had moved on this place with his wife and 7 children, which was in 1835, and then, those children to have to grow to manhood and womanhood and then you see Nancy Ham was one of the children who moved on the place in 1835 and would have to grow to womanhood and marry, and then her son, William Ham, would have to be born and grow to manhood and marry and then have born to him Mrs. Markham: all of which would have to happen within a period of 21 years.

Mrs. Markham has seen Nancy Ham many times as well as Joel Ham and they were her grandparents. She still has a picture in her possession of Nancy Ham and she knows of her own knowledge that Nancy Ham is her grandmother. You will notice in the affidavit that he says Nancy Ham and Emily Gilbert were the daughters of John Gilbert, but Mrs. Markham says she known the original Nancy Ham and also Emily Gilbert and that she has seen both of them and has been in the home of Nancy Ham and that Emily Gilbert is the sister of Nancy Ham as set out in the affidavit and that she lived with her sister, Nancy Ham, but that instead of them being the daughters of John Gilbert, they are the sisters of John Gilbert and that Ned Ham and John Gilbert were brothers and Nancy Ham and Emily Gilbert were the sisters; that she knows of her own knowledge that Emily Gilbert was never married but lived with her sister, Nancy Ham, and that Ned and John Gilbert have been to the home of Nancy Ham.

Dear Sir:

In reply to your letter of August 2, beg to advise that I have been discussing this matter with the Ham heirs and have some more information for you, and also a few more questions I would like to ask.

I might not write the letter in proper order, but will give the information to you as it has been given by them. First, I wish to state that they still insist that they are correct as to their line of descent.

Mrs. Markham, who is now 75 years of age, was born April 1856, which you will see was just twenty-one years after John Gilbert received this league of land. According to the affidavit made by John Newton Gilbert, which was dated August 21, 1909, he stated he was the son of Rm N. Gilbert who was commonly known as Newton, who was the son of John Gilbert, and to whom this league of land was patented: that the original John Gilbert died leaving 8 children surviving. Nancy Ham, the wife of Joel Ham, was one of the children, and Emily Gilbert being one of the children.

Further in the affidavit he says that Nancy Ham had 6 children, naming the different ones, one of whom was William Ham. William Ham is the father of Mrs. Markham, one of our clients who was born in 1856, so from that statement, you will see that it would be pretty hard for that to jibe with the statement of John Gilbert that he had moved on this place with his wife and 7 children, which was in 1835, and then, those children to have to grow to manhood and womanhood and then you see Nancy Ham was one of the children who moved on the place in 1835 and would have to grow to womanhood and marry, and then her son, William Ham, would have to be born and grow to manhood and marry and then have born to him Mrs. Markham; all of which would have to happen within a period of 21 years.

Mrs. Markham has seen Nancy Ham many times as well as Joel Ham and they were her grandparents. She still has a picture in her possession of Nancy Ham and she knows of her own knowledge that Nancy Ham is her grandmother. You will notice in the affidavit that he says Nancy Ham and Emily Gilbert were the daughters of John Gilbert, but Mrs. Markham says she known the original Nancy Ham and also Emily Gilbert and that she has seen both of them and has been in the home of Nancy Ham and that Emily Gilbert is the sister of Nancy Ham as set out in the affidavit and that she lived with her sister, Nancy Ham, but that instead of them being the daughters of John Gilbert, they are the sisters of John Gilbert and that Ned Ham and John Gilbert were brothers and Nancy Ham and Emily Gilbert were the sisters; that she knows of her own knowledge that Emily Gilbert was never married but lived with her sister, Nancy Ham, and that Ned and John Gilbert were born to the home of Nancy Ham.

She goes so far as to tell about Nancy Ham swimming a horse across some big lake down on the border of Louisiana and Texas, going over to see about this land in Sabine County, Texas when her brother, John Gilbert died. She says she has heard her grandmother, Nancy Ham, and her grand-aunt Emily Gilbert, state many times to her they were the sisters of John and Ned Gilbert, and that Nancy was the only one of the four children who married, and knows of her own knowledge that Emily died an old maid.

They state that Lauranah Rankin, Mary Harris, Salina Ables, Frances Ables, Randall Newton Gilbert and David W. Gilbert must have been from a different set of Gilberts because they know they are not in any way connected with Nancy Ham and Emily Gilbert, the original sisters of John Gilbert.

Thomas F. Ham one of these parties, states that he has been to the grave of his grandmother and that he can go there again and that the tombstone will show when she was born and when she died.

Further, concerning this affidavit, I have in my possession a letter written by Mrs. Annie Chapman and Mrs. Mary Arthur, written to Tom Ham and dated May 1, 1919, which is in part as follows:

" You asked us about Uncle John and Uncle Ned Gilbert if they were ~~ba~~ bachelors. ~~and both died~~ Yes, they were both bachelors and both died rich and had no heirs except one sister, your grandmother Ham, your father's mother, and when she died it fell to us and when we die it will all belong to brother William, your father, and when he dies, it belongs to you and I think you should have it..... Uncle John Gilbert had a league of land that I know of in Sabine County and you all should have it. Uncle Ned Gilbert's land was in Llana..."

She also stated in this letter something about the instance I have already told you about as to grandmother Ham swimming a horse across a lake to see about a league of land.

You will notice in that judgement taken in 1890 where Julia Vickers, Mary Arthur, Annie Chapman, Amanda Ham and William Ham were all parties to this suit and survey # 5 was set apart to them. They say that they can prove beyond a doubt that Julia Vickers and Amanda Ham died many years before this suit was filed and could not have been parties to the suit. You will notice also that affidavit it states that Frances Ables had no child or children by her first husband but that after his death she married J. C. Nelson in 1889 and in a copy of this judgment you sent me dated September term, 1920 W. H. Nelson was a party to that suit and at that time Frances Nelson herself must have been living.

In the suit of Gilbert, et al, vs. Macknechney, No. 1153 Frances M. Deed, W. H. Nelson and Virginia Tilley were the sole heirs at law of Frances Nelson, nee Tilley.

She goes so far as to tell about Nancy Ham swimming a horse across some big lake down on the border of Louisiana and Texas, going over to see about this land in Sabine County, Texas when her brother, John Gilbert died. She says she has heard her grandmother, Nancy Ham, and her grand-aunt Emily Gilbert, state many times to her they were the sisters of John and Ned Gilbert, and that Nancy was the only one of the four children who married, and knows of her own knowledge that Emily died an old maid.

In the suit of Gilbert, et al, vs. Macknechney, No. 1153 Frances M. Deed, J. H. Nelson and Virginia Tilley were the sole heirs at law of Frances Nelson, nee Tilley.

I think you will find from the information I have here that this suit was filed on February 6, 1889, which date shows that the suit was filed the same year that Frances Ables married J. C. Nelson, consequently, W. H. Nelson, according to that affidavit and the true facts, could not have been born.

You state in your letter that you found powers of attorney made to John H. Brooks and Silas E. Johnson coupled with one-half interest from different parties, including Nancy Ham, through whom we claim we will inherit, but you do not state the date of those instruments, and consequently, we are unable to state whether or not they actually executed those powers of attorney. You state also that you find powers of attorney from Mary Arthur and Annie Chapman, Amanda Ham, Julia Vickers and William P. Carter with power to sell on June 22, 1901. Of course we cannot state right at this time as to Annie Chapman and Mary Arthur but we do say that Amanda Ham and Julia Vickers did not execute such power of attorney because we will be able to show that Amanda Ham and Julia Vickers died long prior to that time and even before the suit was filed in 1890. I would suggest that you please get the dates of the powers of attorney from Nancy Ham and Emily Gilbert in order that we might see the exact date and can prove the date of their deaths.

Please see also the deed from G. D. Ham and J. D. Ham and find out if they transferred all of their interest in this land or whether it refers to sub-division 5 thereof. The deed was made to Lee King.

In connection with this same matter, we can show that John Gilbert came from Duck County, Tennessee and never came from the North as indicated. After going over these matters again as to this information, see what you think about the situation and see if you think it would be a different proposition if we were able to prove the things they claim they can.

After you have done this, please let me hear from you further and I will try to get any additional information you think advisable.

Yours very truly,

E. O. Northcutt

Why did John Newton Gilbert stop at one third league, if he had of been a grandson of John Gilbert?

Why couldn't John Gilbert have made any kind of a statement to have acquired this league of land as the state don't require this statement made under oath?

We find where John Gilbert come from the north where as in truth he originated from Duck River Tenn.

Himself, wife and seven children come from the north. In John N. Jr. Gilbert sworn statement that he had eight children from his statement we find one must have been born since the year of thirty five.

Mary Harris died without issue. David W. Gilbert died without issue. Frances Ables had no child or children by her first husband. After his death she married J. C. Nelson. In 1889 and at that time of said partition of said Gilbert League suit Feb. 6, 1889. The same year Frances Ables married J. C. Nelson and we find them sole heirs at law. One year later to wit Frances M. Deek W. H. Nelson Virginia Tilley were the sole heirs at law said Frances Nelson.

We find John Gilbert Jr. gets his affidavit sole by his tradition and hear say. How could he thoroughly explore John Gilbert or his family record. And at the same time never saw John Gilbert. Nancy Ham is the Grandmother of the Ham heirs here in mentioned. Lauranah Rankin wife of Harrison Rankins has no right in said estate. Mary Harris wife of Benson Harris has no right in said estate, Salina Ables wife of Ezekiel Ables. Nor Frances Ables wife of Andy Ables, Randall Newton Gilbert, also David W. Gilbert, also Emily Gilbert.

We do not know Mary Harris in this suit. We don't know David W. Gilbert. Frances Ables is no heir. Why would J. C. Nelson have any right by this union in 1889 being all in the same year of partition.

It seems that Nelson Gilbert had no right to said land nor never knew of said land until he sued Macknochny, Frances M. Deek had no right. How could W. H. Nelson, Virginia Tilley become the sole heirs at law of the John Gilbert estate. Frances Nelson nee Gilbert at that time. Mary J. Vick H. S. Vick, Marie Vick, T. E. Vick also Margarette Sullivan, Ezekiel Ables. Cornelis Cooke and M. A. Cooke,

We find that these parties are sole heirs of Salina Ables. nee Gilbert. Emily Gilbert, Lauranah Rankin nee Gilbert, John G. Rankin, Mrs. O. A. Coleman and Sam H. Rankin.

We find that all of the Ham Heirs were parties to said partition. That is all the Nancy Ham heirs, except John G. Ham. Mrs. Augustus M. Morrow could not be rightful heir.

We notice that John N. Gilbert made the affidavit to said claim. The

We find that Julia Vickers has sold her interest several times together with all the rest.

My dear nephew and neice

After some time delay I endeavor to write you a few lines which will inform you that I received your letter. I was indeed glad to hear from you. I was sorry to hear the death of Joel and Charley. But death is for us all. The Lord has been good to us I am now 82 years old and I am glad to be a living. We are up but not well. We are on the Parish for a living at \$2.00 two dollars per month and we got burnt out very near everything got burned. So you see that we have a hard time and are getting along bad.

The flues have been bad here. We have had lots of death tho I think that the flues is moderating a little now. We have lots of rain and are likely to have a overflow.

Now this leaves us up but not well truly hoping that it will find you all well an enjoying the blessings of God. With this I will close by saying we hope to hear from you soon.

Copy of Information written by Josephine Markham 1920

(Josephine Markham sister of Tom Ham)

Why did John Newton Gilbert stop at one third league, if he had of been a grandson of John Gilbert?

Why couldn't John Gilbert have made any kind of a statement to have acquired this league of land as the state don't require this statement made under oath?

We find where John Gilbert come from the north where as in truth he originated from Duck River Tenn.

Himself, wife and seven children come from the north. In John N. Jr. Gilbert sworn statement that he had eight children from his statement we find one must have been born since the year of thirty five.

Mary Harris died without issue. David W. Gilbert died without issue. Frances Ables had no child or children by her first husband. After his death she married J. C. Nelson. In 1889 and at that time of said partition of said Gilbert League suit Feb. 6, 1889. The same year Frances Ables married J. C. Nelson and we find them sole heirs at law. One year later to wit Frances M. Deek W. H. Nelson Virginia Tilley were the sole heirs at law said Frances Nelson.

We find John Gilbert Jr. gets his affidavit sole by his tradition and hear say. How could he thoroughly explore John Gilbert or his family record. And at the same time never saw John Gilbert. Nancy Ham is the Grandmother of the Ham heirs here in mentioned. Lauranah Rankin wife of Harrison Rankins has no right in said estate. Mary Harris wife of Benson Harris has no right in said estate, Salina Ables wife of Ezekiel Ables. Nor Frances Ables wife of Andy Ables, Randall Newton Gilbert, also David W. Gilbert, also Emily Gilbert.

We do not know Mary Harris in this suit. We don't know David W. Gilbert. Frances Ables is no heir. Why would J. C. Nelson have any right by this union in 1889 being all in the same year of partition.

It seems that Nelson Gilbert had no right to said land nor never knew of said land until he sued Macknechny, Frances M. Deek had no right. How could W. H. Nelson, Virginia Tilley become the sole heirs at law of the John Gilbert estate. Frances Nelson nee Gilbert at that time. Mary J. Vick W. S. Vick, Marie Vick, T. E. Vick also Margarette Sullivan, Ezekiel Ables. Cornelis Cooke and M. A. Cooke,

We find that these parties are sole heirs of Salina Ables. nee Gilbert. Emily Gilbert, Laurana Rankin nee Gilbert, John G. Rankin, Mrs. O. O. Coleman and Sam H. Rankin.

We find that all of the Ham Heirs were parties to said partition. That is all the Nancy Ham heirs, except John G. Ham. Mrs. Augustus W. Morrow could not be rightful heir.

We notice that John N. Gilbert made a affidavit to said claim.

Dear Sir:

In reply to your letter of August 2, beg to advise that I have been discussing this matter with the Ham heirs and have some more information for you, and also a few more questions I would like to ask.

I might not write the letter in proper order, but will give the information to you as it has been given by them. First, I wish to state that they still insist that they are correct as to their line of descent.

Mrs. Markham, who is now 75 years of age, was born April 1856, which you will see was just twenty-one years after John Gilbert received this league of land. According to the affidavit made by John Newton Gilbert, which was dated August 21, 1909, he stated he was the son of Rm N. Gilbert who was commonly known as Newton, who was the son of John Gilbert, and to whom this league of land was patented: that the original John Gilbert died leaving 8 children surviving. Nancy Ham, the wife of Joel Ham, was one of the children, and Emily Gilbert being one of the children.

Further in the affidavit he says that Nancy Ham had 6 children, naming the different ones, one of whom was William Ham. William Ham is the father of Mrs. Markham, one of our clients who was born in 1856, so from that statement, you will see that it would be pretty hard for that to jibe with the statement of John Gilbert that he had moved on this place with his wife and 7 children, which was in 1835, and then, those children to have to grow to manhood and womanhood and then you see Nancy Ham was one of the children who moved on the place in 1835 and would have to grow to womanhood and marry, and then her son, William Ham, would have to be born and grow to manhood and marry and then have born to him Mrs. Markham; all of which would have to happen within a period of 21 years.

Mrs. Markham has seen Nancy Ham many times as well as Joel Ham and they were her grandparents. She still has a picture in her possession of Nancy Ham and she knows of her own knowledge that Nancy Ham is her grandmother. You will notice in the affidavit that he says Nancy Ham and Emily Gilbert were the daughters of John Gilbert, but Mrs. Markham says she known the original Nancy Ham and also Emily Gilbert and that she has seen both of them and has been in the home of Nancy Ham and that Emily Gilbert is the sister of Nancy Ham as set out in the affidavit and that she lived with her sister, Nancy Ham, but that instead of them being the daughters of John Gilbert, they are the sisters of John Gilbert and that Ned Ham and John Gilbert were brothers and Nancy Ham and Emily Gilbert were the sisters; that she knows of her own knowledge that Emily Gilbert was never married but lived with her sister, Nancy Ham, and that Ned and John Gilbert were born to the home of Nancy Ham.

Mrs. Markham has seen Nancy Ham many times as well as Joel Ham and they were her grandparents. She still has a picture in her possession of Nancy Ham and she knows of her own knowledge that Nancy Ham is her grandmother. You will notice in the affidavit that he says Nancy Ham and Emily Gilbert were the daughters of John Gilbert, but Mrs. Markham says she known the original Nancy Ham and also Emily Gilbert and that she has seen both of them and has been in the home of Nancy Ham and that Emily Gilbert is the sister of Nancy Ham as set out in the affidavit and that she lived with her sister, Nancy Ham, but that instead of them being the daughters of John Gilbert, they are the sisters of John Gilbert and that Ned Ham and John Gilbert were brothers and Nancy Ham and Emily Gilbert were the sisters; that she knows of her own knowledge that Emily Gilbert was never married but lived with her sister, Nancy Ham, and that Ned and John Gilbert were born to the home of Nancy Ham.

She goes so far as to tell about Nancy Ham swimming a horse across some big lake down on the border of Louisiana and Texas, going over to see about this land in Sabine County, Texas when her brother, John Gilbert died. She says she has heard her grandmother, Nancy Ham, and her grand-aunt Emily Gilbert, state many times to her they were the sisters of John and Ned Gilbert, and that Nancy was the only one of the four children who married, and knows of her own knowledge that Emily died an old maid.

They state that Lauranah Rankin, Mary Harris, Salina Ables, Frances Ables, Randall Newton Gilbert and David W. Gilbert must have been from a different set of Gilberts because they know they are not in any way connected with Nancy Ham and Emily Gilbert, the original sisters of John Gilbert.

Thomas F. Ham one of these parties, states that he has been to the grave of his grandmother and that he can go there again and that the tombstone will show when she was born and when she died.

Further, concerning this affidavit, I have in my possession a letter written by Mrs. Annie Chapman and Mrs. Mary Arthur, written to Tom Ham and dated May 1, 1919, which is in part as follows:

" You asked us about Uncle John and Uncle Ned Gilbert if they were ~~ba~~ bachelors. ~~xxxxxxx~~ Yes, they were both bachelors and both died rich and had no heirs except one sister, your grandmother Ham, your father's mother, and when she died it fell to us and when we die it will all belong to brother William, your father, and when he dies, it belongs to you and I think you should have it..... Uncle John Gilbert had a league of land that I know of in Sabine County and you all should have it. Uncle Ned Gilbert's land was in Llana..."

She also stated in this letter something about the instance I have already told you about as to grandmother Ham swimming a horse across a lake to see about a league of land.

You will notice in that judgement taken in 1890 where Julia Vickers, Mary Arthur, Annie Chapman, Amanda Ham and William Ham were all parties to this suit and survey # 5 was set apart to them. They say that they can prove beyond a doubt that Julia Vickers and Amanda Ham died many years before this suit was filed and could not have been parties to the suit. You will notice also that affidavit it states that Frances Ables had no child or children by her first husband but that after his death she married J. C. Nelson in 1889 and in a copy of this judgment you sent me dated September term, 1890 W. H. Nelson was a party to that suit and at that time Frances Nelson herself must have been living.

In the suit of Gilbert, et al, vs. Macknechney, No. 1153 Frances M. Deed, W. H. Nelson and Virginia Tilley were the sole heirs at law of Frances Nelson, nee Tilley.

She goes so far as to tell about Nancy Ham swimming a horse across some big lake down on the border of Louisiana and Texas, going over to see about this land in Sabine County, Texas when her brother, John Gilbert died. She says she has heard her grandmother, Nancy Ham, and her grand-aunt Emily Gilbert, state many times to her they were the sisters of John and Ned Gilbert, and that Nancy was the only one of the four children who married, and knows of her own knowledge that Emily died an old maid.

In the suit of Gilbert, et al, vs. Macknechney, No. 1153 Frances M. Deed, W. H. Nelson and Virginia Tilley were the sole heirs at law of Frances Nelson, nee Tilley.

I think you will find from the information I have here that this suit was filed on February 6, 1889, which date shows that the suit was filed the same year that Frances Ables married J. C. Nelson, consequently, W. W. Nelson, according to that affidavit and the true facts, could not have been born.

You state in your letter that you found powers of attorney made to John E. Brooks and Silas E. Johnson coupled with one-half interest from different parties, including Nancy Ham, through whom we claim we will inherit, but you do not state the date of these instruments, and consequently, we are unable to state whether or not they actually executed those powers of attorney. You state also that you find powers of attorney from Mary Arthur and Annie Chapman, Amanda Ham, Julia Vickers and William P. Carter with power to sell on June 22, 1901. Of course we cannot state right at this time as to Annie Chapman and Mary Arthur but we do say that Amanda Ham and Julia Vickers did not execute such power of attorney because we will be able to show that Amanda Ham and Julia Vickers died long prior to that time and even before the suit was filed in 1890. I would suggest that you please get the dates of the powers of attorney from Nancy Ham and Emily Gilbert in order that we might see the exact date and can prove the date of their deaths.

Please see also the deed from G. D. Ham and J. D. Ham and find out if they transferred all of their interest in this land or whether it refers to sub-division 5 thereof. The deed was made to Lee King.

In connection with this same matter, we can show that John Gilbert came from Duck County, Tennessee and never came from the North as indicated. After going over these matters again as to this information, see what you think about the situation and see if you think it would be a different proposition if we were able to prove the things they claim they can.

After you have done this, please let me hear from you further and I will try to get any additional information you think advisable.

Yours very truly,

E. O. Northcutt

The League is regularly titled to John Gilbert of date June 5th, 1835.

There is no deed of record in this county out of John Gilbert. Our records were destroyed in November 1875.

In 1870, the sheriff of this county made a Sheriff's deed to Gilbert Mackechney, conveying all the interest of John Jackson in the League. We do not know what interest Jackson owned in the League.

In 1877, the Tax Collector sold the entire League at Tax Sale to Gilbert Mackechney, who immediately put tenants on the League. The Tenancy is recorded February 6th, 1877 and has been on record ever since.

On February 6th, 1889, persons purporting to be the heirs of John Gilbert represented by Attorney, Silas M. Johnson, who now lives in Beaumont, Texas, filed a suit against John Mackechney, Legatee under the will of Gilbert Mackechney, for this league of land. Amelia Brichta, Cecilia Twonsend and her husband, Martin Townsend, Augustus Brichta, G. C. Osborn and the city of Austin, Texas intervened. Judgement of the District Court of this County was entered apparently by agreement in which the plaintiffs, heirs of John Gilbert, recovered one-third of the league to be taken off the East end. The intervenors recovered 1100 acres in the Northwest corner of the League, and the defendant, Mackechney, recovered the remainder of the League.

John N. Gilbert and others, then filed a suit against John H. Broocks, Jr., on the one-third of a League awarded ~~February 4th, 1890, xxxxxxxxx~~ in the above judgement to the Gilbert heirs. This suit dated February 4th, 1890, resulted in a partition of the one-third League. The defendant, Broocks, recovering one-half of the one-third league, and the plaintiffs recovering the other one-half which was partitioned into six portions of 123 acres each. Lot no. 5, of the portion recovered by the Gilbert heirs was awarded to the heirs of Nancy Ham, a daughter of John Gilbert who married Joel Hamm. Said Lot no. 5 consisting of 123 acres, being awarded to Julia Vickers, Mary Arthur, Annie Chapman Amanda Hamm and William Hamm. From our information the only other child of Nancy and Joel Hamm, to-wit, John G. Hamm, died October 30th, 1868. Do not know whether he left issue or not.

In 1902, Julia Vickers, Mary Arthur, Annie Chapman and Amanda Hamm conveyed 4/5 of lot no. 5 to J. A. Watson.

In november 1918, J. D. Hamm conveyed to L. E. King all interest in the John Gilbert League as an heir of William A. Hamm and M. E. Hamm.

The League is regularly titled to John Gilbert of date June 5th, 1835.

There is no deed of record in this county out of John Gilbert. Our records were destroyed in November 1875.

In 1870, the sheriff of this county made a Sheriff's deed to Gilbert Mackeckney, conveying all the interest of John Jackson in the League. We do not know what interest Jackson owned in the League.

In 1877, the Tax Collector sold the entire League at Tax Sale to Gilbert Mackeckney, who immediately put tenants on the League. The Tenancy is recorded February 6th, 1877 and has been on record ever since.

On February 6th, 1889, persons purporting to be the heirs of John Gilbert represented by Attorney, Silas M. Johnson, who now lives in Beaumont, Texas, filed a suit against John Mackeckney, Legatee under the will of Gilbert Mackeckney, for this league of land. Amelia Brichta, Cecilia Twonsend and her husband, Martin Townsend, Augustus Brichta, G. C. Osborn and the city of Austin, Texas intervened. Judgement of the District Court of this County was entered apparently by agreement in which the plaintiffs, heirs of John Gilbert, recovered one-third of the league to be taken off the East end. The intervenors recovered 1100 acres in the Northwest corner of the League, and the defendant, Mackeckney, recovered the remainder of the League.

John N. Gilbert and others, then filed a suit against John H. Brooks, Jr., on the one-third of a League awarded ~~February 4th, 1890, by the District Court of this County~~ in the above judgement to the Gilbert heirs. This suit dated February 4th, 1890, resulted in a partition of the one-third League. The defendant, Brooks, recovering one-half of the one-third league, and the plaintiffs recovering the other one-half which was partitioned into six portions of 123 acres each. Lot no. 5, of the portion recovered by the Gilbert heirs was awarded to the heirs of Nancy Ham, a daughter of John Gilbert who married Joel Hamm. Said Lot no. 5 consisting of 123 acres, being awarded to Julia Vickers, Mary Arthur, Annie Chapman Amanda Hamm and William Hamm. From our information the only other child of Nancy and Joel Hamm, to-wit, John G. Hamm, died October 30th, 1868. Do not know whether he left issue or not.

In 1902, Julia Vickers, Mary Arthur, Annie Chapman and Amanda Hamm conveyed 4/5 of lot no. 5 to J. A. Watson.

In november 1918, J. D. Hamm conveyed to L. E. King all interest in the John Gilbert League as an heir of William A. Hamm and M. E. Hamm.

November 25, 1918, George D. Hamm conveyed all interest in the above league to L. E. King.

On February 21st, 1925, Mrs. W. D. Markham conveyed to L. E. King all interest in the above League as an heir of W. A. Hamm and M. E. Hamm.

We have been unable to determine the exact heirship of W. A. Hamm. We do not know whether the three children conveying to L. E. King are all of the heirs of W. A. Hamm, Mrs. Markham ought to be able to give you this information.

The land is good ordinary farming land in a reasonably thickly settled neighborhood. At one time it was covered with a moderate growth of short leaf pine and hardwood timber. The timber was all cut over as we recall, some fifteen years ago, and now contains second growth timber only.

It possibly may contain oil, at least there are gas leaks within a short distance. Also outcroppings of lignite. We do not know what its present value is as there is practically no market for land in this section at this time due to the financial depression.

An Abstract of the Hamm interest in this land ought not to cost probably more than \$50.00. We would be glad to furnish you an abstract of the whole league or any part thereof should you so desire.

Mr. Garland Smith
Attorney at Law
Jasper, Texas

Dear Sir:

In reply to your letter of August 2, beg to advise that I have been discussing this matter with the Ham heirs and have some more information for you, and also a few more questions I would like to ask.

I might not write the letter in proper order, but will give the information to you as it has been given by them. First, I wish to state that they still insist that they are correct as to their line of descent.

Mrs. Markham, who is now 75 years of age, was born April 1856, which you will see was just twenty-one years after John Gilbert received this league of land. According to the affidavit made by John Newton Gilbert, which was dated August 21, 1909, he stated he was the son of Ra N. Gilbert who was commonly known as Newton, who was the son of John Gilbert, and to whom this league of land was patented: that the original John Gilbert died leaving 8 children surviving. Nancy Ham, the wife of Joel Ham, was one of the children, and Emily Gilbert being one of the children.

Further in the affidavit he says that Nancy Ham had 6 children, naming the different ones, one of whom was William Ham. William Ham is the father of Mrs. Markham, one of our clients who was born in 1856, so from that statement, you will see that it would be pretty hard for that to jibe with the statement of John Gilbert that he had moved on this place with his wife and 7 children, which was in 1835, and then, those children to have to grow to manhood and womanhood and then you see Nancy Ham was one of the children who moved on the place in 1835 and would have to grow to womanhood and marry, and then her son, William Ham, would have to be born and grow to manhood and marry and then have born to him Mrs. Markham: all of which would have to happen within a period of 21 years.

Mrs. Markham has seen Nancy Ham many times as well as Joel Ham and they were her grandparents. She still has a picture in her possession of Nancy Ham and she knows of her own knowledge that Nancy Ham is her grandmother. You will notice in the affidavit that he says Nancy Ham and Emily Gilbert were the daughters of John Gilbert, but Mrs. Markham says she known the original Nancy Ham and also Emily Gilbert and that she has seen both of them and has been in the home of Nancy Ham and that Emily Gilbert is the sister of Nancy Ham as set out in the affidavit and that she lived with her sister, Nancy Ham, but that instead of them being the daughters of John Gilbert, they are the sisters of John Gilbert and that Ned Ham and John Gilbert were brothers and Nancy Ham and Emily Gilbert were the sisters; that she knows of her own knowledge that Emily Gilbert was never married but lived with her sister, Nancy Ham, and that Ned and John Gilbert have been to the home of Nancy Ham.

She goes so far as to tell about Nancy Ham swimming a horse across some big lake down on the border of Louisiana and Texas, going over to see about this land in Sabine County, Texas when her brother, John Gilbert died. She says she has heard her grandmother, Nancy Ham, and her grand-aunt Emily Gilbert, state many times to her they were the sisters of John and Ned Gilbert, and that Nancy was the only one of the four children who married, and knows of her own knowledge that Emily died an old maid.

They state that Lauranah Rankin, Mary Harris, Salina Ables, Frances Ables, Randall Newton Gilbert and David W. Gilbert must have been from a different set of Gilberts because they know they are not in any way connected with Nancy Ham and Emily Gilbert, the original sisters of John Gilbert.

Thomas F. Ham one of these parties, states that he has been to the grave of his grandmother and that he can go there again and that the tombstone will show when she was born and when she died.

Further, concerning this affidavit, I have in my possession a letter written by Mrs. Annie Chapman and Mrs. Mary Arthur, written to Tom Ham and dated May 1, 1919, which is in part as follows:

" You asked us about Uncle John and Uncle Ned Gilbert if they were ~~ba~~ bachelors. ~~xxxxxxx~~ Yes, they were both bachelors and both died rich and had no heirs except one sister, your grandmother Ham, your father's mother, and when she died it fell to us and when we die it will all belong to brother William, your father, and when he dies, it belongs to you and I think you should have it..... Uncle John Gilbert had a league of land that I know of in Sabine County and you all should have it. Uncle Ned Gilbert's land was in Llana..."

She also stated in this letter something about the instance I have already told you about as to grandmother Ham swimming a horse across a lake to see about a league of land.

You will notice in that judgement taken in 1890 where Julia Vickers, Mary Arthur, Annie Chapman, Amanda Ham and William Ham were all parties to this suit and survey # 5 was set apart to them. They say that they can prove beyond a doubt that Julia Vickers and Amanda Ham died many years before this suit was filed and could not have been parties to the suit. You will notice also that affidavit it states that Frances Ables had no child or children by her first husband but that after his death she married J. C. Nelson in 1889 and in a copy of this judgment you sent me dated September term, 1920 W. H. Nelson was a party to that suit and at that time Frances Nelson herself must have been living.

In the suit of Gilbert, et al, vs. Macknechney, No. 1153 Frances M. Deed, J. H. Nelson and Virginia Tilley were the sole heirs at law of Frances Nelson, nee Tilley.

I think you will find from the information I have here that this suit was filed on February 6, 1889, which date shows that the suit was filed the same year that Frances Ables married J. C. Nelson, consequently, W. H. Nelson, according to that affidavit and the true facts, could not have been born.

You state in your letter that you found powers of attorney made to John H. Brooks and Silas H. Johnson coupled with one-half interest from different parties, including Nancy Ham, through whom we claim we will inherit, but you do not state the date of those instruments, and consequently, we are unable to state whether or not they actually executed those powers of attorney. You state also that you find powers of attorney from Mary Arthur and Annie Chapman, Amanda Ham, Julia Vickers and William P. Carter with power to sell on June 22, 1901. Of course we cannot state right at this time as to Annie Chapman and Mary Arthur but we do say that Amanda Ham and Julia Vickers did not execute such power of attorney because we will be able to show that Amanda Ham and Julia Vickers died long prior to that time and even before the suit was filed in 1890. I would suggest that you please get the dates of the powers of attorney from Nancy Ham and Emily Gilbert in order that we might see the exact date and can prove the date of their deaths.

Please see also the deed from G. D. Ham and J. D. Ham and find out if they transferred all of their interest in this land or whether it refers to sub-division 5 thereof. The deed was made to Lee King.

In connection with this same matter, we can show that John Gilbert came from Duck County, Tennessee and never came from the North as indicated. After going over these matters again as to this information, see what you think about the situation and see if you think it would be a different proposition if we were able to prove the things they claim they can.

After you have done this, please let me hear from you further and I will try to get any additional information you think advisable.

Yours very truly,

E. O. Northcutt

The League is regularly titled to John Gilbert
of date June 5th, 1835.

There is no deed of record in this county out of
John Gilbert. Our records were destroyed in November 1875.

In 1870, the sheriff of this county made a Sheriff's
deed to Gilbert Mackechney, conveying all the interest of
John Jackson in the League. We do not know what interest Jackson
owned in the League.

In 1877, the Tax Collector sold the entire League
at Tax Sale to Gilbert Mackechney, who immediately put tenants
on the League. The Tenancy is recorded February 6th, 1877 and
has been on record ever since.

On February 6th, 1889, persons purporting to be
the heirs of John Gilbert represented by Attorney, Silas M. Johnson,
who now lives in Beaumont, Texas, filed a suit against John
Mackechney, Legatte under the will of Gilbert Mackechney, for
this league of land. Amelia Brichta, Cecilia Twonsend and her
husband, Martin Townsend, Augustus Brichta, G. C. Osborn and the
city of Austin, Texas intervened. Judgement of the District
Court of this County was entered apparently by agreement in
which the plaintiffs, heirs of John Gilbert, recovered one-
third of the league to be taken off the East end. The inter-
venors recovered 1100 acres in the Northwest corner of the
League, and the defendant, Mackechney, recovered the remainder
of the League.

John N. Gilbert and others, then filed a suit
against John H. Brooks, Jr., on the one-third of a League awarded
~~February 4th, 1890, xxxxxxxx~~
in the above judgement to the Gilbert heirs. This suit dated
February 4th, 1890, resulted in a partition of the one-third
League. The defendant, Brooks, recovering one-half of the
one-third league, and the plaintiffs recovering the other one-
half which was partitioned into six portions of 123 acres each.
Lot no. 5, of the portion recovered by the Gilbert heirs was
awarded to the heirs of Nancy Ham, a daughter of John Gilbert ~~who~~
who married Joel Hamm. Said Lot no. 5 consisting of 123
acres, being awarded to Julia Vickers, Mary Arthur, Annie Chapman
Amanda Hamm and William Hamm. From our information the only other
child of Nancy and Joel Hamm, to-wit, John G. Hamm, died October
30th, 1868. Do not know whether he left issue or not.

In 1902, Julia Vickers, Mary Arthur, Annie Chap-
man and Amanda Hamm conveyed 4/5 of lot no. 5 to J. A. Watson.

In november 1918, J. D. Hamm conveyed to L. E. King
all interest in the John Gilbert League as an heir of William A.
Hamm and M. E. Hamm.

The League is regularly titled to John Gilbert of date June 5th, 1835.

In november 1918, J. D. Hamm conveyed to L. E. King all interest in the John Gilbert League as an heir of William A. Hamm and M. E. Hamm.

There is no deed of record in this county out of John Oliver. Our records were destroyed in November 1875.

In 1870, the sheriff of this county made a Sheriff's deed to Oliver Mackinney, conveying all the interest of John Jackson in the league. We do not know what interest Jackson owned in the league.

In 1877, the Tax Collector sold the entire league to Tax Sale to Oliver Mackinney, who immediately put tenants on the league. The Tenancy is recorded February 2nd, 1877 and has been on record ever since.

On February 2nd, 1885, persons purporting to be the heirs of John Oliver represented by Attorney, Allen A. Johnson, who now lives in Tennessee, Texas, filed a suit against John Mackinney, Legatee under the will of Oliver Mackinney, for this league of land. Annie B. Biddle, Cecilia Townsend and her husband, Martin Townsend, Augustus Biddle, G. D. Gibson and the City of Austin, Texas intervened. Judgment of the District Court of this County was entered apparently by agreement in which the plaintiff, heirs of John Oliver, recovered one-third of the league to be taken off the land and the interest recovered 1100 acres in the northwest corner of the league, and the defendant, Mackinney, recovered the remainder of the league.

John M. Oliver and others, then filed a suit against John M. Biddle, Jr., on the one hand of a league awarded in the above judgment to the Oliver heirs. This suit ended February 2nd, 1890, resulted in a partition of the one-third league. The defendant, Biddle, recovering one-half of the one-third league, and the plaintiff recovering the other one-half which was partitioned into six portions of 100 acres each. Lot no. 5, of the portion recovered by the Oliver heirs was awarded to the heirs of Henry Bann, a daughter of John Oliver. The married Joel Bann. Said lot no. 5 consisting of 100 acres, being awarded to Willie Vickers, Mary Arthur, Annie Chapman and Willie Bann. From our information the only other lot of Henry and Joel Bann, to-wit, John G. Bann, died October 20th, 1888. It is not known whether he left issue or not.

In 1902, Willie Vickers, Mary Arthur, Annie Chapman and ~~Joel Bann~~ conveyed 1/3 of lot no. 5 to J. E. Hanson.

In November 1915, J. E. Hanson conveyed to L. E. King all interest in the John Oliver League as an heir of William A. King and W. E. Hanson.

November 25, 1918, George D. Hamm conveyed all interest in the above league to L. E. King.

On February 21st, 1925, Mrs. W. D. Markham conveyed to L. E. King all interest in the above League as an heir of W. A. Hamm and M. E. Hamm.

We have been unable to determine the exact heirship of W. A. Hamm. We do not know whether the three children conveying to L. E. King are all of the heirs of W. A. Hamm, Mrs. Markham ought to be able to give you this information.

The land is good ordinary farming land in a reasonably thickly settled neighborhood. At one time it was covered with a moderate growth of short leaf pine and hardwood timber. The timber was all cut over as we recall, some fifteen years ago, and now contains second growth timber only.

It possibly may contain oil, at least there are gas leaks within a short distance. Also outcroppings of lignite. We do not know what its present value is as there is practically no market for land in this section at this time due to the financial depression.

An Abstract of the Hamm interest in this land ought not to cost probably more than \$50.00. We would be glad to furnish you an abstract of the whole league or any part thereof should you so desire.

Dear Sir:

In reply to your letter of August 2, beg to advise that I have been discussing this matter with the Ham heirs and have some more information for you, and also a few more questions I would like to ask.

I might not write the letter in proper order, but will give the information to you as it has been given by them. First, I wish to state that they still insist that they are correct as to their line of descent.

Mrs. Markham, who is now 75 years of age, was born April 1856, which you will see was just twenty-one years after John Gilbert received this league of land. According to the affidavit made by John Newton Gilbert, which was dated August 21, 1909, he stated he was the son of Ra N. Gilbert who was commonly known as Newton, who was the son of John Gilbert, and to whom this league of land was patented: that the original John Gilbert died leaving 8 children surviving. Nancy Ham, the wife of Joel Ham, was one of the children, and Emily Gilbert being one of the children.

Further in the affidavit he says that Nancy Ham had 6 children, naming the different ones, one of whom was William Ham. William Ham is the father of Mrs. Markham, one of our clients who was born in 1856, so from that statement, you will see that it would be pretty hard for that to jibe with the statement of John Gilbert that he had moved on this place with his wife and 7 children, which was in 1835, and then, those children to have to grow to manhood and womanhood and then you see Nancy Ham was one of the children who moved on the place in 1835 and would have to grow to womanhood and marry, and then her son, William Ham, would have to be born and grow to manhood and marry and then have born to him Mrs. Markham: all of which would have to happen within a period of 21 years.

Mrs. Markham has seen Nancy Ham many times as well as Joel Ham and they were her grandparents. She still has a picture in her possession of Nancy Ham and she knows of her own knowledge that Nancy Ham is her grandmother. You will notice in the affidavit that he says Nancy Ham and Emily Gilbert were the daughters of John Gilbert, but Mrs. Markham says she known the original Nancy Ham and also Emily Gilbert and that she has seen both of them and has been in the home of Nancy Ham and that Emily Gilbert is the sister of Nancy Ham as set out in the affidavit and that she lived with her sister, Nancy Ham, but that instead of them being the daughters of John Gilbert, they are the sisters of John Gilbert and that Ned Ham and John Gilbert were brothers and Nancy Ham and Emily Gilbert were the sisters; that she knows of her own knowledge that Emily Gilbert was never married but lived with her sister, Nancy Ham, and that Ned and John Gilbert were born to the home of Nancy Ham.

Dear Sir:

In reply to your letter of August 2, beg to advise that I have been discussing this matter with the Ham heirs and have some more information for you, and also a few more questions I would like to ask.

I might not write the letter in proper order, but will give the information to you as it has been given by them. First, I wish to state that they still insist that they are correct as to their line of descent.

Mrs. Markham, who is now 75 years of age, was born April 1856, which you will see was just twenty-one years after John Gilbert received this league of land. According to the affidavit made by John Newton Gilbert, which was dated August 21, 1909, he stated he was the son of Ra N. Nancy Ham, the wife of Joel Ham, was one of the children, and Emily Gilbert being one of the children.

Further in the affidavit he says that Nancy Ham had 6 children, naming the different ones, one of whom was William Ham. William Ham is the father of Mrs. Markham, one of our clients who was born in 1856, so from that statement, you will see that it would be pretty hard for that to jibe with the statement of John Gilbert that he had moved on this place with his wife and 7 children, which was in 1835, and then, those children to have to grow to manhood and womanhood and then you see Nancy Ham was one of the children who moved on the place in 1835 and would have to grow to womanhood and marry, and then her son, William Ham, would have to be born and grow to manhood and marry and then have born to him Mrs. Markham: all of which would have to happen within a period of 21 years.

Mrs. Markham has seen Nancy Ham many times as well as Joel Ham and they were her grandparents. She still has a picture in her possession of Nancy Ham and she knows of her own knowledge that Nancy Ham is her grandmother. You will notice in the affidavit that he says Nancy Ham and Emily Gilbert were the daughters of John Gilbert, but Mrs. Markham says she known the original Nancy Ham and also Emily Gilbert and that she has seen both of them and has been in the home of Nancy Ham and that Emily Gilbert is the sister of Nancy Ham as set out in the affidavit and that she lived with her sister, Nancy Ham, but that instead of them being the daughters of John Gilbert, they are the sisters of John Gilbert and that Ned Ham and John Gilbert were brothers and Nancy Ham and Emily Gilbert were the sisters; that she knows of her own knowledge that Emily Gilbert was never married but lived with her sister, Nancy Ham, and that Ned and John Gilbert have been to the home of Nancy Ham.

She goes so far as to tell about Nancy Ham swimming a horse across some big lake down on the border of Louisiana and Texas, going over to see about this land in Sabine County, Texas when her brother, John Gilbert died. She says she has heard her grandmother, Nancy Ham, and her grand-aunt Emily Gilbert, state many times to her they were the sisters of John and Ned Gilbert, and that Nancy was the only one of the four children who married, and knows of her own knowledge that Emily died an old maid.

They state that Lauranah Rankin, Mary Harris, Salina Ables, Frances Ables, Randall Newton Gilbert and David W. Gilbert must have been from a different set of Gilberts because they know they are not in any way connected with Nancy Ham and Emily Gilbert, the original sisters of John Gilbert.

Thomas F. Ham one of these parties, states that he has been to the grave of his grandmother and that he can go there again and that the tombstone will show when she was born and when she died.

Further, concerning this affidavit, I have in my possession a letter written by Mrs. Annie Chapman and Mrs. Mary Arthur, written to Tom Ham and dated May 1, 1919, which is in part as follows:

" You asked us about Uncle John and Uncle Ned Gilbert if they were ~~ba~~ bachelors. ~~xxxxxx~~ Yes, they were both bachelors and both died rich and had no heirs except one sister, your grandmother Ham, your father's mother, and when she died it fell to us and when we die it will all belong to brother William, your father, and when he dies, it belongs to you and I think you should have it..... Uncle John Gilbert had a league of land that I know of in Sabine County and you all should have it. Uncle Ned Gilbert's land was in Llana..."

She also stated in this letter something about the instance I have already told you about as to grandmother Ham swimming a horse across a lake to see about a league of land.

You will notice in that judgement taken in 1890 where Julia Vickers, Mary Arthur, Annie Chapman, Amanda Ham and William Ham were all parties to this suit and survey # 5 was set apart to them. They say that they can prove beyond a doubt that Julia Vickers and Amanda Ham died many years before this suit was filed and could not have been parties to the suit. You will notice also that affidavit it states that Frances Ables had no child or children by her first husband but that after his death she married J. C. Nelson in 1889 and in a copy of this judgment you sent me dated September term, 1920 W. H. Nelson was a party to that suit and at that time Frances Nelson herself must have been living.

In the suit of Gilbert, et al, vs. Macknechney, No. 1153 Frances M. Deed, W. H. Nelson and Virginia Tilley were the sole heirs at law of Frances Nelson, nee Tilley.

The case as far as to 1911 about Henry has
swimming a horse across some big lake & on the border of
Louisiana and Texas. Going over to see about the land in Sabine
County, Texas when her brother, John Gilbert died. She says
she has heard her grandmother, Nancy Ann, and her great-aunt
Emily Gilbert, make many times to her that were the sisters of
John and Ned Gilbert, and that Henry was the only one of the four
children who married, and knows of her own knowledge that Emily
died as a maid.

They state that Laurence Hankin, Mary Harris,
Saline Ables, Frances Ables, Randall Newton Gilbert and David
W. Gilbert must have been from a different set of Gilberts
because they know they are not in any way connected with Henry
him and Emily Gilbert, the original sisters of John Gilbert.

Thomas F. Han one of these parties, states
that he has been to the grave of his grandmother and that he can
go there again and that the tombstone will show when she was
born and when she died.

Further, concerning this affidavit, I have in
my possession a letter written by Mrs. Annie Chapman and Mrs.
Mary Arthur, written to Tom Han and dated May 1, 1919, which
is in part as follows:

"You asked us about Uncle John and Uncle Ned Gilbert if they were in
business. ~~xxxxxxxxxxxx~~ Yes, they were both business men and both died
rich and had no heirs except one sister, your grandmother Han, your
father's mother, and when she died it fell to me and when we die it will
all belong to brother William, your father, and when he dies, it
belongs to you and I think you would have it. Uncle John
Gilbert had a league of land that I know of in Sabine County and you all
should have it. Uncle Ned Gilbert's land was in Louisiana."

She also stated in this letter something about the instance I have
already told you about as to grandmother Han swimming a horse
across a lake to see about a league of land.

You will notice in that judgment taken in 1900 when
Julia Vickers, Mary Arthur, Annie Chapman, ~~xxxxxx~~ and William
Han were all parties to this suit and when it was set aside
then. They say that they had passed beyond a doubt that Julia Vickers
and ~~xxxxxx~~ had many years before this suit was filed and would
not have been parties to the suit. You will notice also that affidavit
it states that Thomas Ables had no wife or children by her first
husband and when after his death she married J. G. Nelson in 1899 and
in a copy of this judgment you will see dated September 28, 1900 W. H.
Nelson was a party to that suit and at that time Thomas Nelson
had still been living.

In the suit of Gilbert, et al, vs. Laurence Hankin, No. 1153
Frances W. Good, B. Nelson and Virginia Tilly were
the sole heirs at law of Thomas Nelson, deceased.

She goes so far as to tell about Nancy Ham swimming a horse across some big lake down on the border of Louisiana and Texas, going over to see about this land in Sabine County, Texas when her brother, John Gilbert died. She says she has heard her grandmother, Nancy Ham, and her grand-aunt Emily Gilbert, state many times to her they were the sisters of John and Ned Gilbert, and that Nancy was the only one of the four children who married, and knows of her own knowledge that Emily died an old maid.

They state that Lauranah Rankin, Mary Harris, Salina Ables, Frances Ables, Randall Newton Gilbert and David W. Gilbert must have been from a different set of Gilberts because they know they are not in any way connected with Nancy Ham and Emily Gilbert, the original sisters of John Gilbert.

Thomas F. Ham one of these parties, states that he has been to the grave of his grandmother and that he can go there again and that the tombstone will show when she was born and when she died.

Further, concerning this affidavit, I have in my possession a letter written by Mrs. Annie Chapman and Mrs. Mary Arthur, written to Tom Ham and dated May 1, 1919, which is in part as follows:

She also stated in this letter something about the instance I have already told you about as to grandmother Ham swimming a horse across a lake to see about a league of land.

Nelson in 1889 and in a copy of this judgment you sent me dated September term, 1890 W. H. Nelson was a party to that suit and at that time Frances Nelson herself must have been living.

In the suit of Gilbert, et al, vs. Mackneehney, No. 1153 Frances M. Deed, W. H. Nelson and Virginia Tilley were the sole heirs at law of Frances Nelson, nee Tilley.

The first to say so was about 1880 when
examining a horse record book and saw a name on the bottom of
Louisiana and Texas, going over to see about this land in
County, Texas when her mother, John Gilbert died. But was
she had never met grandmother, Henry Henry and her grandmother
Emily Gilbert, state many times to her that the records of
John and Ned Gilbert, and that Henry was the only one of the four
children who married, and none of her own knowledge that Emily
died as a maid.

They state that Lawrence Hanks, Mary Harris,
Belina Adams, Frances Adams, Hannah Hanks and Louis
W. Gilbert must have been from a different set of Gilberts
because they know they are not in any way connected with Henry
and Emily Gilbert, the original owners of John Gilbert.

Thomas P. Man one of these parties, states
that he has been to the grave of his grandmother and that he was
to there again and that the tombstone will show when she was
born and when she died.

Further, mentioning this relative, I have in
my possession a letter written by Mrs. Annie Chapman and Mrs.
Mary Arthur, written to Tom Man and dated May 1, 1919, which
is in part as follows:

"You asked us about Uncle John and Uncle Ned Gilbert if they were in
California. Well, they were both born in Ohio and both died
rich and had no heirs except one sister, your grandmother, her, your
father's mother, and when she died it fell to us and when we die it will
all belong to brother William, your father, and when he dies, it
belongs to you and I think you should have it. Uncle John
Gilbert had a league of land that I know of in Adams County and you all
should have it. Uncle Ned Gilbert's land was in Adams."

She also stated in this letter something about the fact that I have
already told you about as to grandmother's name assuming a name
rather than to use about a league of land.

You will notice in that judgment taken in 1880 where
Julia Adams, Mary Arthur, Annie Chapman, Annie Man and William
Man were all parties to this suit and where P. E. was the party to
them. They say that they can prove beyond a doubt that Julia Adams
and William Man were both dead many years before this suit was filed and could
not have been parties to the suit. You will notice also that relative
it states that Frances Adams had no child or children by her first
husband and that after his death she married J. E. Nelson in 1882 and
in a way of this judgment you must have known that, 1880 E. H.
Nelson was a party to that suit and at that time Frances Adams
herself must have been living.

In the suit of Gilbert vs. Man, et al., vs. Hanks, et al., No. 1102
Frances M. Man, E. H. Nelson and Virginia Miller were
the sole heirs at law of Frances Adams, and Emily.

I think you will find from the information I have here that this suit was filed on February 6, 1889, which date shows that the suit was filed the same year that Frances Ables married J. C. Nelson, consequently, W. H. Nelson, according to that affidavit and the true facts, could not have been born.

You state in your letter that you found powers of attorney made to John H. Brooks and Silas E. Johnson coupled with one-half interest from different parties, including Nancy Ham, through whom we claim we will inherit, but you do not state the date of those instruments, and consequently, we are unable to state whether or not they actually executed those powers of attorney. You state also that you find powers of attorney from Mary Arthur and Annie Chapman, Amanda Ham, Julia Vickers and William P. Carter with power to sell on June 22, 1901. Of course we cannot state right at this time as to Annie Chapman and Mary Arthur but we do say that Amanda Ham and Julia Vickers did not execute such power of attorney because we will be able to show that Amanda Ham and Julia Vickers died long prior to that time and even before the suit was filed in 1890. I would suggest that you please get the dates of the powers of attorney from Nancy Ham and Emily Gilbert in order that we might see the exact date and can prove the date of their deaths.

Please see also the deed from G. D. Ham and J. D. Ham and find out if they transferred all of their interest in this land or whether it refers to sub-division 5 thereof. The deed was made to Lee King.

In connection with this same matter, we can show that John Gilbert came from Duck County, Tennessee and never came from the North as indicated. After going over these matters again as to this information, see what you think about the situation and see if you think it would be a different proposition if we were able to prove the things they claim they can.

After you have done this, please let me hear from you further and I will try to get any additional information you think advisable.

Yours very truly,

E. O. Northcutt

which you will find the information I have here that this
was filed on February 6, 1930, which date shows that the bill
filed the same year that Frances Adams married J. C. Nelson,
consequently, W. H. Nelson, according to that affidavit and the true
facts, could not have been born.

You state in your letter that you found powers
of attorney made by John W. Brooks and Oliver E. Johnson coupled
with one-half interest from different parties, including Henry
Lee, through whom we claim we will inherit, but you do not state
the date of those instruments, and consequently, we are unable
to state whether or not they actually executed those powers of
attorney. You state also that you find powers of attorney from
Mary Arthur and Annie Chapman, ~~and John W. Brooks~~ and
William P. Carter with power to sell on June 22, 1907. Of course
we cannot state right at this time as to Annie Chapman and Mary
Arthur but we do say that ~~John W. Brooks~~ and John W. Brooks did not
execute such powers of attorney because we will be able to show
that Annie had and John W. Brooks died long prior to that time
and even before the bill was filed in 1930. I would suggest that
you please get the dates of the powers of attorney from Mary
Hart and Emily Elliott in order that we might see the exact date
and can prove the date of their deaths.

Please see also the deed from O. D. Hart and
J. D. Hart and find out if they transferred all of their interest
in this land or whether it refers to sub-division B interest. The
deed was made to Lee King.

In connection with this same matter, we saw
also that John Gilbert came from Rock County, Tennessee and
never came from the State as indicated. After going over these
matters again as to this information, we are not sure about
the situation and see if you think it would be a different
proposition if we were able to prove the things they claim they
own.

After you have done this, please let me hear
from you further and I will try to get any additional information
you think advisable.

E. O. Hoffmann

This colored woman age 83

Fannie Webb R. 1 Box 34 of Coushatta, Louisiana makes this statement on Nov. the 12-1931 that she and her husband worked for Julia Fry in the year of 1868 and she knows that she died in the year of 1872 and she also states that she knew Amandy Ham and Emily Gilbert some time before that date. Emily Gilbert was the first one to die.

Amandy Ham died January 6th 1904 and she was 30 years old.

Julia Fry died Dec. 3, 1903

Joel W. Ham died Nov. 9 1886 age 83

Nancy Ham died Jan. 6, 1887

Emily Gilbert died May 1, 1860

THESE
DATES
SEEM TO BE
OBTAINED BY THOMAS F. HAM
FROM AN OLD COLORED LADY WHO
KNEW THE FAMILY IN COUSHATTA

The League is regularly titled to John Gilbert
of date June 5th, 1835.

There is no deed of record in this county out of John Gilbert. Our records were destroyed in November 1875.

In 1870, the sheriff of this county made a Sheriff's deed to Gilbert Hackechny, conveying all the interest of John Jackson in the League. We do not know what interest Jackson owned in the League.

In 1877, the Tax Collector sold the entire League at Tax Sale to Gilbert Mackechney, who immediately put tenants on the League. The Tenancy is recorded February 6th, 1877 and has been on record ever since.

On February 6th, 1889, persons purporting to be the heirs of John Gilbert represented by Attorney, Silas M. Johnson, who now lives in Beaumont, Texas, filed a suit against John Mackechney, Legatte under the will of Gilbert Mackechney, for this league of land. Amelia Brichta, Cecilia Twonsend and her husband, Martin Townsend, Augustus Brichta, G. C. Osborn and the city of Austin, Texas intervened. Judgement of the District Court of this County was entered apparently by agreement in which the plaintiffs, heirs of John Gilbert, recovered one-third of the league to be taken off the East end. The intervenors recovered 1100 acres in the Northwest corner of the League, and the defendant, Mackechney, recovered the remainder of the League.

John N. Gilbert and others, then filed a suit against John H. Brooks, Jr., on the one-third of a League awarded ~~February 4th, 1890, xxxxxxxxx~~ in the above judgement to the Gilbert heirs. This suit dated February 4th, 1890, resulted in a partition of the one-third League. The defendant, Brooks, recovering one-half of the one-third league, and the plaintiffs recovering the other one-half which was partitioned into six portions of 123 acres each. Lot no. 5, of the portion recovered by the Gilbert heirs was awarded to the heirs of Nancy Ham, a daughter of John Gilbert who married Joel Hamm. Said Lot no. 5 consisting of 123 acres, being awarded to Julia Vickers, Mary Arthur, Annie Chapman Amanda Hamm and William Hamm. From our information the only other child of Nancy and Joel Hamm, to-wit, John G. Hamm, died October 30th, 1868. Do not know whether he left issue or not.

In 1902, Julia Vickers, Mary Arthur, Annie Chapman and Amanda Hamm conveyed 4/5 of lot no. 5 to J. A. Watson.

In november 1918, J. D. Hamm conveyed to L. E. King all interest in the John Gilbert League as an heir of William A. Hamm and M. E. Hamm.

November 25, 1918, George D. Hamm conveyed all interest in the above league to L. E. King.

On February 21st, 1925, Mrs. W. D. Markham conveyed to L. E. King all interest in the above League as an heir of W. A. Hamm and M. E. Hamm.

We have been unable to determine the exact heir ship of W. A. Hamm. We do not know whether the three children conveying to L. E. King are all of the heirs of W. A. Hamm, Mrs. Markham ought to be able to give you this information.

The land is good ordinary farming land in a reasonably thickly settled neighborhood. At one time it was covered with a moderate growth of short leaf pine and hardwood timber. The timber was all cut over as we recall, some fifteen years ago, and now contains second growth timber only.

It possibly may contain oil, at least there are gas leaks within a short distance. Also outcroppings of lignite. We do not know what its present value is as there is practically no market for land in this section at this time due to the financial depression.

An Abstract of the Hamm interest in this land ought not to cost probably more than \$50.00. We would be glad to furnish you an abstract of the whole league or any part thereof should you so desire.

Mr. Garland Smith
Attorney at Law

Dear Sir:

In reply to your letter of August 2, beg to advise that I have been discussing this matter with the Ham heirs and have some more information for you, and also a few more questions I would like to ask.

I might not write the letter in proper order, but will give the information to you as it has been given by them. First, I wish to state that they still insist that they are correct as to their line of descent.

Mrs. Markham, who is now 75 years of age, was born April 1856, which you will see was just twenty-one years after John Gilbert received this league of land. According to the affidavit made by John Newton Gilbert, which was dated August 21, 1909, he stated he was the son of Ra N. Gilbert who was commonly known as Newton, who was the son of John Gilbert, and to whom this league of land was patented: that the original John Gilbert died leaving 8 children surviving. Nancy Ham, the wife of Joel Ham, was one of the children, and Emily Gilbert being one of the children.

Further in the affidavit he says that Nancy Ham had 6 children, naming the different ones, one of whom was William Ham. William Ham is the father of Mrs. Markham, one of our clients who was born in 1856, so from that statement, you will see that it would be pretty hard for that to jibe with the statement of John Gilbert that he had moved on this place with his wife and 7 children, which was in 1835, and then, those children to have to grow to manhood and womanhood and then you see Nancy Ham was one of the children who moved on the place in 1835 and would have to grow to womanhood and marry, and then her son, William Ham, would have to be born and grow to manhood and marry and then have born to him Mrs. Markham: all of which would have to happen within a period of 21 years.

Mrs. Markham has seen Nancy Ham many times as well as Joel Ham and they were her grandparents. She still has a picture in her possession of Nancy Ham and she knows of her own knowledge that Nancy Ham is her grandmother. You will notice in the affidavit that he says Nancy Ham and Emily Gilbert were the daughters of John Gilbert, but Mrs. Markham says she known the original Nancy Ham and also Emily Gilbert and that she has seen both of them and has been in the home of Nancy Ham and that Emily Gilbert is the sister of Nancy Ham as set out in the affidavit and that she lived with her sister, Nancy Ham, but that instead of them being the daughters of John Gilbert, they are the sisters of John Gilbert and that Ned Ham and John Gilbert were brothers and Nancy Ham and Emily Gilbert were the sisters; that she knows of her own knowledge that Emily Gilbert was never married but lived with her sister, Nancy Ham, and that Ned and John

She goes so far as to tell about Nancy Ham swimming a horse across some big lake down on the border of Louisiana and Texas, going over to see about this land in Sabine County, Texas when her brother, John Gilbert died. She says she has heard her grandmother, Nancy Ham, and her grand-aunt Emily Gilbert, state many times to her they were the sisters of John and Ned Gilbert, and that Nancy was the only one of the four children who married, and knows of her own knowledge that Emily died an old maid.

They state that Laurantah Rankin, Mary Harris, Salina Ables, Frances Ables, Randall Newton Gilbert and David W. Gilbert must have been from a different set of Gilberts because they know they are not in any way connected with Nancy Ham and Emily Gilbert, the original sisters of John Gilbert.

Thomas F. Ham one of these parties, states that he has been to the grave of his grandmother and that he can go there again and that the tombstone will show when she was born and when she died.

Further, concerning this affidavit, I have in my possession a letter written by Mrs. Annie Chapman and Mrs. Mary Arthur, written to Tom Ham and dated May 1, 1919, which is in part as follows:

" You asked us about Uncle John and Uncle Ned Gilbert if they were ~~ba~~ bachelors. ~~xxxxxx~~ Yes, they were both bachelors and both died rich and had no heirs except one sister, your grandmother Ham, your father's mother, and when she died it fell to us and when we die it will all belong to brother William, your father, and when he dies, it belongs to you and I think you should have it..... Uncle John Gilbert had a league of land that I know of in Sabine County and you all should have it. Uncle Ned Gilbert's land was in Llana..."

She also stated in this letter something about the instance I have already told you about as to grandmother Ham swimming a horse across a lake to see about a league of land.

You will notice in that judgement taken in 1890 where Julia Vickers, Mary Arthur, Annie Chapman, Amanda Ham and William Ham were all parties to this suit and survey # 5 was set apart to them. They say that they can prove beyond a doubt that Julia Vickers and Amanda Ham died many years before this suit was filed and could not have been parties to the suit. You will notice also that affidavit it states that Frances Ables had no child or children by her first husband but that after his death she married J. C. Nelson in 1889 and in a copy of this judgment you sent me dated September term, 1920 W. H. Nelson was a party to that suit and at that time Frances Nelson herself must have been living.

In the suit of Gilbert, et al, vs. Macknechney, No. 1153 Frances M. Deed, W. H. Nelson and Virginia Tilley were the sole heirs at law of Frances Nelson, nee Tilley.

I think you will find from the information I have here that this suit was filed on February 6, 1889, which date shows that the suit was filed the same year that Frances Ables married J. C. Nelson, consequently, W. H. Nelson, according to that affidavit and the true facts, could not have been born.

You state in your letter that you found powers of attorney made to John H. Brooks and Silas H. Johnson coupled with one-half interest from different parties, including Nancy Ham, through whom we claim we will inherit, but you do not state the date of those instruments, and consequently, we are unable to state whether or not they actually executed those powers of attorney. You state also that you find powers of attorney from Mary Arthur and Annie Chapman, Amanda Ham, Julia Vickers and William P. Carter with power to sell on June 22, 1901. Of course we cannot state right at this time as to Annie Chapman and Mary Arthur but we do say that Amanda Ham and Julia Vickers did not execute such power of attorney because we will be able to show that Amanda Ham and Julia Vickers died long prior to that time and even before the suit was filed in 1890. I would suggest that you please get the dates of the powers of attorney from Nancy Ham and Emily Gilbert in order that we might see the exact date and can prove the date of their deaths.

Please see also the deed from G. D. Ham and J. D. Ham and find out if they transferred all of their interest in this land or whether it refers to sub-division 5 thereof. The deed was made to Lee King.

In connection with this same matter, we can show that John Gilbert came from Duck County, Tennessee and never came from the North as indicated. After going over these matters again as to this information, see what you think about the situation and see if you think it would be a different proposition if we were able to prove the things they claim they can.

After you have done this, please let me hear from you further and I will try to get any additional information you think advisable.

Yours very truly,

E. O. Northcutt
